Click the dropdown menu under “Department” and change it from “All” to the type of class you need to select

- Select the **Language Arts** class you need by clicking “Add Request”
 - Sophomores—Do nothing**—This is automatically added. You need TIESS English IIA and IIB
 - Juniors** need English IIIA and IIIB **OR** AP English Literature & Composition.
 - If you choose AP** you will need to **remove** English IIIA and IIIB from your selected courses.
 - Seniors** need English IVA and IVB **OR** AP English Literature & Composition
 - If you choose AP** you will need to **remove** English IVA and IVB from your selected courses.
 - Once you’ve added the request, your choices should appear at the top of the screen.
- Now change the “Department” dropdown menu to **“Math”**
 - ALL Algebra, Geometry, and Pre-Calculus students **MUST** request the “Bridge to . . .” class as well as two trimesters of the actual math class.
 - If you passed or will pass 2 trimesters of the class you are in now, go to the next class.
 - If you DID NOT pass at least 2 trimesters of your current math class, retake that class.
 - If you have taken the class twice but still are not passing, talk to Mrs. James
 - NOTE—There is college credit available** for Statistics/Probability, Pre-Calculus, AP Calculus (all access BIS class EB or 1st period only), and AP Statistics (all access BIS class EB or 1st period only).
 - Request all 3 classes in the series for math**
- Change the dropdown menu to **“Science”**
 - Sophomores** automatically get Biology A & Biology B. If you took those classes freshman year, you can remove them from your schedule requests and add two different science classes.
 - Juniors & Seniors** request 2 science classes
 - College Bound Students—Chemistry A & B or Physics A & B (should be Alg 2 or higher)
 - Students Interested in Medical Field—Anatomy & Physiology
 - C or better in Bio A and Bio B are prerequisites for these classes.
 - There are also singleton science classes you can take to fulfill grad requirements.
 - Environmental Science
 - Forensic Science
 - Biotechnology requires a C or better in Bio A and Bio B
 - Marine Biology & Vertebrate Zoology require a C or better in Bio A and Bio B
 - Invertebrate Zoology will be offered in 2020-21

4. Change the dropdown menu to **“World Languages”**
 - a. If you plan to attend a 4-Year College or University, you **MUST** complete two years of the same foreign language.
 - i. Chinese runs the entire year—all three trimesters.
 - ii. Spanish is two trimesters.
 - iii. If you are a fluent native speaker, choose Spanish III/IV

5. Change the dropdown menu to **“Electives”**
 - a. You must **“Add Request” 5 Priority Electives** (ones you really want to take)
 - b. You must **“Add Alternate” 5 Alternative Electives** (ones you maybe don’t love but wouldn’t kill you if you had to take them)
 - c. **If you don’t do 10, Mrs. James picks your electives and you might not get to change your schedule**
